# WHO'S RUNNING THE PROGRAMME?

## JOHN BULLOCK

I would highly recommend John as a creative management coach that can help you harness the power of your organization and move well beyond traditional thinking. John has had superb success with our company in various settings and cultures. Everyone I have talked to about their experience with John agrees that he has both the knowledge, dynamic and methodology to work with people and get at the heart of what makes us want to succeed and provides a clear and logical way of getting there. I look forward to the next time we work together.

Nick Bishop is a brilliant and smart training consultant. He knows his work and is a great speaker. He speaks clearly and you understand everything. I recommend any company to come and listen to him or invite him anytime. He's the best.
